Application for Keeping Domestic Animals

Permit Fee \$.00

Applicant's Name: _____
Applicant's Address: _____
Applicant's Phone #: _____ Emergency #: _____

Please fill out the following as accurately as possible:

Requesting a permit for the following livestock/animals: _____

Livestock/animals to be housed at the following address: _____

Number of livestock/animals: _____

The number or animals kept on any premises shall not exceed the number authorized by the Dedham Board of Health.

Explain manure and waste disposal procedure: _____

Distance from any watercourses or wetlands: _____ ft.

Distance from any drains or sanitary systems: _____ ft.

Each application for a permit shall be accompanied with a set of plans showing the property to be used, the lot lines, the location of the stable, barn or other shelter, the location of any watercourses or wetlands, the location of all drains and sanitary systems, and the location of all adjacent dwellings.

The owners of any premises on which any animal of which a permit is required shall be responsible for the sanitary, humane and safe keeping of such animals. Shelters shall be kept clean and free of dirt, decaying food, manure and stagnant water. Buildings and pens shall be adequately heated and shall be whitewashed or disinfected if ordered by the Dedham Board of Health with regular spraying and baiting to prevent insects and rodents from becoming a health hazard.
